THROUGH IT ALL

METAMORPHOSIS

By: Marie-Paul Duwai-Sowa

At a time like this
All I feel is
The weight of the world
Trying to bring me down
Shackle me under the pressure of endless trial

But at a time like this
Is when I prove my excellence
And as a diamond would
When caught in the heat
I shine

PAN- AFRICAN

By: Marie-Paul Duwai-Sowa

Red and white
The land I stand on
To whom I belong.

Blue, green and white
Coursing through my veins
It lives within me.

Brown
Exists beyond me
The first thing you see

— surprised I didn't say black
Well, no because that's not on me
That's my community.

A vast sea
Of different shades and experiences
That also represent me.

Hello, my brother
From another mother
Hello, my sister
From another mister
In this life, we should bond over our commonality
And come together as one
Truly loving
Under the whole of our collective yellow sun.

Always remember:
Treasure
And take pleasure
In your blackness
It was bought and sold for
Fought for
Sought after
So care for it,
because this kind of beauty lasts forever.

We need love as we need water.
We need each other as we need the earth we share.”

A VISION

M D L

Par: Marie-Paul Duwai-Sowa

La jeunesse
Un temps de rêvé
D'un futur grand et plein de beauté.

Mais pour ceux qui nous ressemblent
Il est encore plus adéquat.

En des moments que tu es découragé
D'être encouragé par cette vérité:

Tu es important
Magnifique
Intelligent

Reste-toi assuré
Être noire est une excellente qualité!

Il faut rêvée grand,
Tout le temps
Même en face des difficultés
Tu ne connais jamais les sommets que tu pourrais atteindre.

“The amount of swag is just limitless, ... it’s just not right. It’s just so much damn swag.”

— Beyoncé

HYMNE DU MATIN

Par: Marie-Paul Duwai-Sowa

Toi et moi
Nous appartenons
A une richesse qui s'éteint
Plus que les lacs et les rivières,
Qui s'étire
Plus loin que le ciel vers les montagnes.

N'entendez-vous pas l'écho?
Ce sont les conseils de ceux qui ont déjà marchés ces chemins
Les conseils qui devraient nous guidée
Resté dans nos têtes comme une chanson nous ne pourrons pas oublie
Forment une symphonie qui chante;

La couleur de ta peau
Tellement beau
Illumine par le soleil
Laisse-toi brillé
Comme une lumière
Qu'un jour montrera la direction
Et dirigera une future génération
